FREEZE DRIED CRISP

We are excited to introduce a range of freeze-dried fruit products that retain up to 98% of their nutrients, ensuring a healthy, convenient, and long-lasting snacking option.

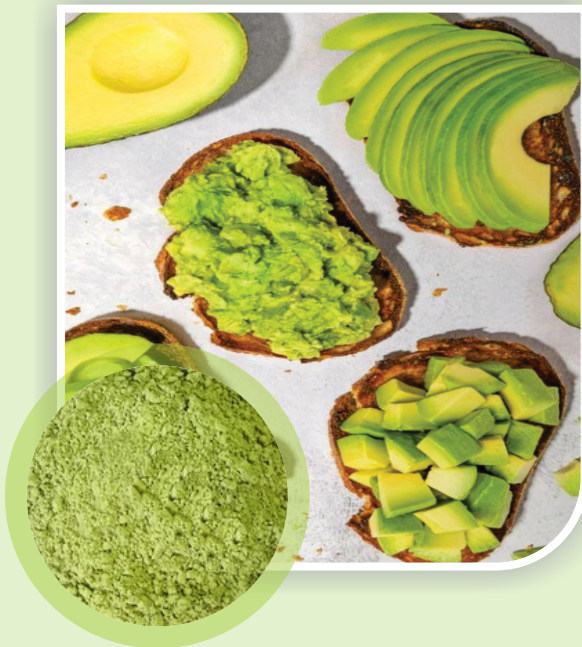

Our product range includes:

- Freeze-Dried Apples : Crisp, naturally sweet, and full of fiber.
- Freeze-Dried Dragon : Fruit – Exotic, vibrant, and rich in antioxidants.
- Freeze-Dried Strawberries: Tangy-sweet flavor with essential vitamins.
- Freeze-Dried Mangoes : Tropical delight with a chewy-crisp texture.
- Freeze-Dried Pineapples : Refreshingly sweet with a vitamin C boost.
- Freeze-Dried Bananas : Energy-packed, perfect for active lifestyles.

VALUE ADDITION OF OTHER FRUITS

Afriavo Orchards Limited is a premier agribusiness company dedicated to revolutionizing fruit farming, processing, and value addition in Africa. Under our flagship brand, Wambugu Apples, we specialize in the cultivation and commercialization of high-quality apples and other tropical fruits. Our latest innovation is the introduction of freeze-dried fruits, offering consumers a healthy, nutritious, and long-lasting fruit snack.
